

AMENDMENTS TO THE DRAWINGS

Please cancel page "6/6" of the drawings, also labeled as "Reference marks in the drawings", as indicated by the attached marked-up copy of drawing sheet 6/6 marked "Canceled."

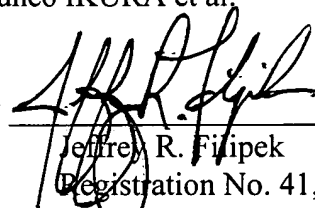

REMARKS

This Preliminary Amendment is presented in order to: (1) add identifying data to the top of page 1 of the specification; (2) remove multiple claim dependencies, so as to reduce the required filing fee; and (3) cancel sheet 6/6 of the drawings, which contains only a list of the "Reference marks in the drawings."

Respectfully submitted,

Tsuneo IKURA et al.
